

Sprint 1 Report

PEN PALS

10/10/2018 - 10/21/2018

Actions to Stop Doing:

- As a team, we need to stop missing weekly meetings with our TA, Roy Shadmon, who we need to communicate with to help us meet our goals.

Actions to Start Doing:

- Start reading more about git documentation because of unique problems we run into individually while updating the project.

Actions to Keep Doing:

- Keep communicating about our version control and keeping track of branch merging, pushing, etc.
- Keep meeting up together offline to work on our coding as a single unit.
- Keep communicating via group text to continue progress individually

Work completed:

User Story #1: "As a user, I want to create an account so that I can log onto the site." - Finished

Steps:

- A. Read Documentation - Finished*
- B. Set Up Web Server and Git Project - Finished*
