Release Plan
Pen Pals

High Level Goals

- An efficient and effective algorithms to match book readers with each other
- Clean and user friendly interface for users
- Create a platform where users feel secure to trade their books with one and other
- Have an extensive catalogue of books for users to put on their profiles.

User Stories

- Sprint 1
  - User Story 1 (8)

    As a user, I want to create an account so that I can log onto the site.

  - User Story 2 (4)

    As a book reader, I want to create a book profile so that other users will know what kind of literature I'm interested in.

- Sprint 2
  - User Story 1 (8)

    As a user, I want a simple clean interface to interact with and use the website.
  - User Story 2 (4)

    As a user, I want to be able to create a list of books I've read and a list of books I have up to trade on my profile.
  - User Story 3 (8)

    "As a user, I want to be able to add a variety of different books to my profile so that I can match with other users."
  - User Story 4 (8)

    As a user, I want to receive notifications when I match with other users so that I can discuss my favorite books with them.

- Sprint 3
    - User Story 1
      As a user, I want to be able to create a list of books I've read and a list of books I have up to trade on my profile.

    - User Story 2
      As a user, I want a way to match with other users who share similar literary interests with me.

- Sprint 4
    - User Story 1
      As a user I want a way to discuss the books I read with other users and organize book trades with them to get new books I have yet to read.
